

2in1 WALLET BOOK + COVER CASES

New **2in1 WALLET BOOK + COVER MAGNET** cases by **VOLTE-TEL** for the new Apple iPhone 6S/6 4.7". They are two separate cases, Book and Faceplate, which are combined to one. They are made entirely of high quality leather, come with a magnetic strap for even greater security and are available in 2 colors, black and white. On the interior the device is placed on the faceplate, which is held firmly by very strong magnets. However, you can remove the faceplate and use it separately from the rest of the Book case.
